Bleatings BY the Old GOAT

EVER SINCE WE can remember, we have gotten a boot out of listening to old people tell stories. It could be a grandfather complex of some sort. We always felt close to our grandfather as a youngster. We always made a point to become friendly with the old fellows around the place when we started working around newspaper plants. We figured we could learn something.

WELL, WE LEARNED that we still enjoy hearing the "oldtimers" tell of the "good old days". We spent a good hour visiting with Mrs. Gertrude Stanford of 39 North Central. At eighty-eight she can still thread a pretty good needle.

OUR PRIMARY REASON for walking over to Mrs. Stanford's home was to pick up some pictures of old Campbell. We will publish them soon. We enjoyed the conversation, so we sat and listened to her story. She showed us letters and other correspondence written by her mother. In checking through the papers, which are all over one hundred years old, we noticed a classified ad. We plan on asking Mrs. Stanford for permission to publish it. We felt our acquaintance should be better established before asking. Anyhow we did receive a gift of one of the pictures. What amazed us was the way she could rattle off the various incidents and the dates. We couldn't help but wonder what she was like about seventy years ago. Reminded us of the Song... "Oh, you must have been a beautiful baby, Cause baby, look at you now!"

A POSTAL CARD from Los Gatos, unsigned, agreed with the idea of planting trees along the freeway to hide our park. Maybe this is a good time for Charles Rose to push for his amphitheater idea. Charlie had this plan a long time ago but no one seemed interested in it. After he is elected to the council, maybe he can pursue the idea. Heck, it would be nice to have something to show... not something to hide.

JUST IN CASE you haven't heard everything... we have some information that should be of interest to all. The Campbell Chamber of Commerce is going to "put on" a fashion show. It will be held on March 26 during the monthly meeting at the Villa Felice. What's so special about that? Well the models will be chosen from the Chamber Board of Directors... in fact, the entire board will (is supposed to) be in the "show".

UNLESS WE CAN find a good reason, like breaking a leg, etc. we may be part of the act. This should be worth the admission alone. After we consult with our hair stylist and cosmetologist, we should look something like a city dude. Although we fear that nothing will hide that "prune picker look".

SPEAKING FOR OURSELVES if the Chamber must stoop to asking us to be part of the show, we suggest that each of you make plans now to attend. The Chamber must need help. Just in case you care... we will be the one on the right.

Zone change granted to Latimer Avenue property

The Campbell City Council voted 3 to 2 to approve the application of Burke-Ferro for a zone change from single family residences (R-1) to Planned Development (PD) in the Latimer Avenue neighborhood.

A large audience of Latimer neighborhood residents was on hand to present a petition signed by 561 voters protesting the zone change. They based their complaint on the premise that the apartments planned for the 10 acre piece of property would be too close to single family residences, that it would crowd the schools and create a traffic problem. They also indicated it was a gradual erosion of R-1 zoning and that single family residences have been reduced to 25 percent of the total area of the city.

Councilman Edward J. Rogers, a resident of the neighborhood involved, was vehement in his objections to the rezoning. He suggested that commercial zoning be put downtown and not in a "prime residential area." Gordon Misner, 201 Sondra Way, spokesman for the protesting group, said the commercial complex planned for the northern half of the 10 acre parcel would be "the death warrant for downtown Campbell."

The Campbell Planning Commission voted 6 to 1 to approve the zone change and City Planner Orville Overen said the developers have presented a "reasonable" plan and have shown exactly what they will construct. He recommended that the zone change be made, stating that PD would protect the future development of Latimer and Hamilton Avenue as the developers would have to apply to the Council and the Commission for permission to make any changes. We would have "control", he said.

The 10 acre parcel will have 74 common green apartment units, beginning with one story buildings set back 44 feet from the street line. Two story buildings will be constructed far enough back so as not to interfere with neighbor's privacy. The northern portion which is bound by Hamilton Avenue will have a 22,000 square foot service station and a five story commercial building which will be leased for a bank, shops, restaurant, promenade deck and professional offices. Developers said they will not start the apartments until the spring of 1965. They do not intend to start the 5 story building until 1968.

Rumors have reached the Campbell Press that those residents unhappy with the Council's decision will attempt to get the matter on the ballot. They would have to get ten percent of the registered voters names on a petition for a referendum (590 signatures). The City Clerk indicated they would be too late to qualify for the City election slated for April 14.

Fire destroys second story of Almarida Dr home

Campbell Fire Department brought out five pieces of equipment and 19 men to control a fire in the home of Runyan A. Buckalew, San Jose Police Officer, at 1078 Almarida Drive, early last Sunday morning. Neighbors noticed the roof and attic of the two story home engulfed in flames about 2 a.m. Sunday morning. The family was not at home when the fire was discovered, but arrived later to direct rescue of valuable property.

Captain John Butterfield reported the damage was tentatively estimated to be at $20,000, including contents of the upper story. There was no fire damage to the downstairs. Cause of the fire is still under investigation.

City Manager to analyze budget

City Manager Robert Stephens recommended to the Campbell City Council that a two months moratorium on certain capital outlay expenditures be enforced until he has a chance to investigate and analyze the budget for the balance of the fiscal year. Stephens did point out to the Council, however, that the City was in sound financial condition and that the undistributed reserve was above the standard necessary. He said in his report that there is need for clarification of the budget and he would investigate and report to the Council as soon as possible.

AWARDED CONTRACT

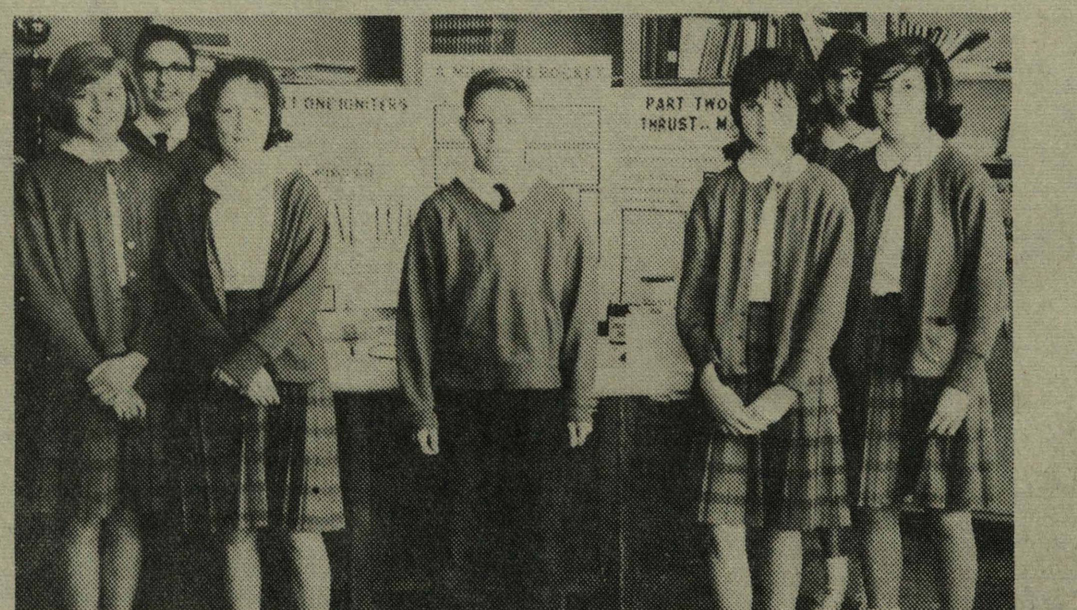
Peterson Bros. of Campbell was awarded the contract to widen Winchester Boulevard at Camden Avenue. Their low bid was $9,103.75. High bid was $11,315.

Three teenagers held in thefts

Three Campbell teenaged boys are being held at County Juvenile Hall after admitting their involvement in five daylight home burglaries. The youths, all 16, went from door to door in a residential area. When a housekeeper responded to a knock, they would ask for a fictitious name, then pretend confusion when told no one by that name lives at the address.

The youths repeated their scheme, police reported, until they came to a house where no one answered. Campbell Police were tipped off by a postman who suspected the youths. Among the loot police recovered were a collection of silver dollars, gloves, knives, wrist watches, transistor radios and $97 in currency.

ALMARIDA DRIVE FIRE--The second story of the Runyan Buckalew home was engulfed in flames early Sunday morning. Campbell Fire Department fought the fire for three hours before it was controlled. Damage was estimated at $20,000, including the contents of the second floor. Cause of the blaze is still under investigation. Photo courtesy of William Bratton of Campbell.



PARTICIPATE IN ST. LUCY'S SCIENCE FAIR --These eighth grade students from St. Lucy's School prepared exhibits for the Book and Science Fair at the school's Open House last week. Judges were employees of Westinghouse Corporation. Left to right, Donna Valentine, Charles Bahl, Peggy Fleming, Eddie Oster, Mary Finkas, Marlene Struss and Cecilia Mathews.

QUALIFY FOR NATIONAL COMPETITION --The smiling faces on these three Campbell High School trophy winners indicate success. (Left to right) John Ritter, Mary Neal, Speech Coach Winston Miller, and John Rowberry, in competition with 450 other debaters from schools all over Northern California qualified to attend the national speech tournament in Akron, Ohio, in June.

St. Lucy's has successful Science Fair

The public was invited to a Science Fair and Book Fair held during Open House at Saint Lucy's School, Campbell, on March 5, 1964. Winners of the science projects were selected by Messrs. George Heiser, David Baer, and Pierce Warrington of Westinghouse Electric Corporation, Sunnyvale. Approximately 150 entries were submitted.

The following students submitted the winning projects: Sixth Grade - Biological Science; 1st - Chris Collins, Diabetic Test, 2nd - Peter Carlino, See Them Grow, 3rd - Mary Jane Kelly, The Silkworm. Physical Science; 1st - Mark Ban, The Solar System, 2nd - Stephen Head, Nerve Tester, 3rd - Joseph Doetsch, The Stars, 4th - Jacqueline Vieira, Why Does a Faucet Drip. Seventh Grade - Biological Science; 1st - David Nelson, Animal Skeletons, 2nd - Carl Blaisdell, Tropism, 3rd - Ronice Johnson, The Tooth. Physical Science. 1st - Mark Ambrosini, Aneroid Barometer, 2nd - David Robinson, Crystals, 3rd - Fred Birdsall, What Good is a Fuse. Eighth Grade - Biological Science; 1st - Cecelia Matthews, Effects of Smoking on Mice, 2nd - Mary Finkas, Bacterial Growth, 3rd - Peggy Fleming, The Honey Bee. Physical Science; 1st - Edwin Oster, A Miniature Rocket, 2nd - Marlene Struss, The Camera, 3rd - Charles Bahl, Constellation Planetarium, 4th - Donna Valentine, Wheels of Time.

The winning projects of the seventh and eighth grades will now compete with projects from other schools at the County Science Fair to be held on March 13 - 15.

Campbell high speakers qualify for national meets

Three Campbell High School students --- Mary Neal, John Ritter and Jon Rowberry --- in competition with 450 other speakers from schools all over Northern California qualified Saturday, February 29, to attend the national speech tournament to be held in Akron, Ohio, June 23-26.

Saturday's competition was held at Lincoln High School in San Francisco and was the concluding half of a two day tournament, the first half being held on February 22 at the University of Santa Clara.

Competing schools were all California high schools north of Monterey which are affiliated with the National Forensic League, the organization which sponsors the national tournament in June.

It was possible for only six students to qualify for the national tournament, an exclusive meet limited to the top 250 high school speakers across the nation. Mary Neal won first place in Girls' Extemporaneous Speaking by nine points over her nearest competitor, Gayle Rockwood of Fremont High School. John Ritter won first place in Boys' Extemporaneous Speaking by one point over Anthony Duffy of San Francisco's Riordan High School. Jon Rowberry garnered first place in Unlimited Original Oratory with his oration "This Is America" by seven points over second place Ray Van De Moortel of Bellarmine. St. Ignatius High School's debate team of Dave Mezzera and John Scalia defeated Campbell's Mary Neal and John Ritter in the final debate, a victory which qualified them for the national tournament. A student from Lowell High School in San Francisco won first place in dramatic interpretation.

The permanent sweepstakes plaque for the most points at this tournament was awarded to Campbell, and Sunnyvale High School claimed the rotating sweepstakes trophy for the best record over the past five years.

Campbell speech coaches David Cripe and Winston Miller report that, as a result of this tournament, five Campbell speakers are qualified to compete at the State Speech Meet in Santa Barbara on April 24 and 25: Mary Beyer (Girls' Original Oratory), John Gibson (Humorous Interpretation), Tim Hegstrom (Boys' Extemp), and Mary Neal and John Ritter (Debate). Last year Miss Neal won a state championship in Girls' Oratorical Interpretation.

Editorial

Listen-talk-read-VOTE!

Because we happen to believe that the local government should be of utmost importance to each resident, The Press has sent a list of questions to each City Council Candidate. The questions we have chosen are the queries most often asked and talked about in our dealings with the citizenery. We know there are other questions which are more important to certain individuals. These questions should also be asked and answered by the candidates.

The Press is cooperating with the League of Women Voters in order that an impartial forum may be presented to the Campbell voters. Because of the many ramifications the forum may not materialize. However, we welcome any questions to be asked of the candidates through our columns in the form of letters.

We feel that through the interest of many, each of us can expect to gain a better city government. A councilman's job is not easy, especially if he is interested in doing a good job for the community. To air questions and express various ideas will offer these men the guidance needed to do a job.

If for no other reason, the city budget, well over one million dollars, should be reason enough for all to become interested in the spending of this enormous sum of money. To spend the money is no problem. To spend it wisely and for the greatest good to the community is what we expect. And your vote is the first step in making this possible.

505 California grads awarded fellowships

California is second in the nation in number of high school graduates who later won Woodrow Wilson Fellowships, according to an educational survey released today.

The Woodrow Wilson National Fellowship Foundation recently studied the secondary school origins of students elected to its Fellowships since 1958 and found that 505 of them received their high school training in California. This large figure places the state immediately after New York in the national ranking.

Leading the state numerically were Berkeley High School and University High School in Los Angeles, each of which graduated seventeen Fellowship winners. Van Nuys High School followed with fourteen; Fairfax High School in Los Angeles, thirteen; and Alexander Hamilton High School in Los Angeles, twelve.

Two graduates of Campbell High School, John Carl Beyer, Class of 1962; and Stephen Carl Hunter, class of 1961; received Woodrow Wilson Fellowships.

Altogether 170 public secondary schools in California graduated 432 eventual Wilson Fellows, and 45 private schools in the state graduated 73.

Since 1958 the Woodrow Wilson National Fellowship Foundation has awarded over 6,500 firstyear post-baccalaureate graduate fellowships. The Foundation is a private organization whose purpose is to encourage talented students to choose college teaching as a career. Each year approximately 1,000 Fellows are selected on a highly competitive basis from over 10,000 college seniors in the United States and Canada. The Foundation distributes its awards across the country through a regional quota system. Quotas are based on the total number of baccalaureate degrees awarded within a region. To avoid penalizing ability-rich regions, the Foundation elects 30% without respect to region.

The ten leading states and the number of their high school graduates who later won Woodrow Wilson Fellowships are: New York, 1216; California, 505; Illinois, 420; Pennsylvania, 398; New Jersey, 284; Massachusetts, 284; Ohio, 267; Texas, 253; Michigan, 220; and Missouri, 207.

"Our survey is not intended as an evaluation of the nation's high schools," Dr. Rosenhaupt cautioned. "We are primarily interested in bringing recognition to those high school teachers who for many years have been inspiring their students to high goals.

Five local girls have entered Queen competition

A number of young ladies residing in Campbell have already stepped forward and registered their intention to compete for the title of Miss Campbell of 1964.

Filing entry blank requests at the Campbell Chamber of Commerce office were Barbara Hernandez, Kathleen Sipiora, Patricia Ann Rhine, Jo Ann C. Pederson and Geraldine Vering, and other requests are in the mail, according to Ken Stephenson, committee chairman.

Any young lady residing in the city limits of Campbell between the ages of 17 and 22 is eligible to compete in the Miss Campbell contest. The competing contestants will be presented in a Fashion Show at the April 23 Chamber of Commerce luncheon to be held at the beautiful Villa Felice. So hurry girls, last chance coming up for winning the title and honors to be bestowed upon Miss Campbell of 1964.

Duane Mayfield is guest of American Legion

Duane Charles Mayfield, son of Mr. and Mrs. Harry O. Mayfield, 859 No. Central Avenue, was introduced to the membership of West Valley Post 158, American Legion, as their representative from Campbell High School who went to Sacramento to attend Boy's State last June. Duane told of his experience of being elected Assessor, and Tax Collector of the Boy's State Community he represented. He expressed his appreciation in being chosen for the honor of representing this area, and thanked the West Valley Post for its sponsorship.

Another guest at the February meeting were Charles O'Neil of the Ming Quong Home of Los Gatos. On Friday, April 24, the West Valley Post will have students from Bellarine High School as their guests. They will speak on Decent Literature and Movies.

At its recent business meeting the West Valley Post voted to endorse the resolution sponsored by the Citizen's Committee for Free TV.

STUDENT-PARENT PANEL

The social problems of the "between years" will be the subject of a panel discussion between students and parents Thursday night, March 12, when Elvira Castro PTA holds its next meeting. The meeting will be held at 8 p.m. in the school library.

ON CAPITOL HILL

with "Charlie" Gubser
REPRESENTATIVE IN CONGRESS
TENTH DISTRICT, CALIFORNIA

As this is written, the Senate is settling into the Civil Rights filibuster. The rumor is persistent that the battle will be only make-believe and that the President, skilled in the arts of Senate compromise, has agreed to water down the Public Accommodation Section. The relaxed confidence of Administration leaders and unruffled calm of the Southerners lend credence to the rumor. The sixth sense we acquire from long experience in Washington had led many of us to conclude as President Hoover did: "A good many things go around in dark besides Santa Claus".

Administration spokesmen deny that a deal has been made and so do Southerners--about as stoutly as Rebel pickets used to deny that on occasions they crossed the river to swap Southern tobacco for Yankee coffee.

Even though the House finished the bill on February 10, the mail still pours in to our side of the Capitol. Some of it approves of my favorable vote on Civil Rights and some, like this one under a Palo Alto postmark, is not very complimentary:

"Dear Mr. Gubser: It was a shock to learn that you are voting for the Civil Rights Bill--Why?....

"Shame! Shame! The Civil Rights Bill is filled in secret corners with laws against Free American People - is it NOT?... The Negro Leaders are planing this and that! It is hightime the Whites plan a new Strategy against All who are trying to take away our Freedom Rights.... How can a business man or woman run a free business if a Federal Law-man is standing over his right and left shoulder to say - NO - or Yes to every movement he or she wants to make in hiring people etc. Shame!

"Killing the American Business Rights is this a True American Way? Is this the Freedom our Fathers and Mothers fought for....?

"Wake Up Mr. Gubser! Think American! Feel American! Act American! Who is selling us down the river-of-no-return? Do you want to live to see another Civil War?

"Is there not a Great Leader in the Negro or Jewish Race who can lead their peoples to Africa for their own peace and future life for their un-born children. Let not people try to put together what God himself did not join?...

"Wake Up! If you want to be re-elected? A fine man like you - should never be Brainwashed in Wash. D. C. Think it over?" (signed) Many - Thinking Americans

EDITORIAL NOTE: Throughout our history, there have been many "Thinking Americans", most of whom have been courageous enough to sign their names to their opinions. Can you imagine how effective the Declaration of Independence would have been had it been signed "Many Thinking Americans" instead of by a group of patriots like John Hancock who wrote their names in letters big enough so the King could read them "without his spectacles"?

Country Woman's Club to have musical program

Two Del Mar High School seniors, Glenda York and Douglas Bixby, will provide the entertainment for next Monday's meeting of the Campbell Country Woman's Club.

Speaker for the afternoon will be Mrs. Edward Hirsch, of Lion's Town and Country store. She will give the assembled audience some tips on home decorating.

Glenda York, soprano, will present several solos. She is a member of the California Scholarship Federation and has been soloist with the Del Mar High School choir on several occasions.

Douglas Bixby will present several selections on the tuba. He is also a member of the California Scholarship Federation and is a member of the Santa Clara Valley Honor Band, and the Santa Clara Valley Youth Band. He is a member of the Del Mar High School orchestra and band.

Mrs. Douglas Strong is chairman and her committee includes Mmes. S. N. Hedegard, Henry A. Kidd, Norman LaVeque, G. R. Newcomb, Edwin B. Parker, E. F. Whistler, Eldred L. Nelson.

Marilyn Neeley to present piano recital

The San Jose Alumnae Chapter of Mu Phi Epsilon, international professional music sorority, will present a Scholarship Benefit Recital featuring Marilyn Neeley, pianist, member of the sorority. The concert will take place Sunday, March 15, at 3:00 p.m. in the Concert Hall of the Music Building at San Jose State College, Seventh Street between San Fernando and San Carlos. Proceeds of the concert will be used for music scholarships for outstanding members of Phi Mu Chapter at San Jose State College. The program will include works by Mozart, Haydn, Brahms, Ellis B. Kohs, Liszt, Rachmaninov, and Prokoviev.

Miss Neeley is the winner of many awards including the Kimber Award, Hollywood Bowl Auditions, Michaels Memorial Award, and in the Van Cliburn International Piano Competition in 1962, she placed fifth, the only American woman competitor who won an award. She has appeared as soloist with symphony orchestras of Pittsburg, Chicago, Los Angeles, and others. This spring, she made a recital tour of Alaska.

Tickets may be obtained from Concert Ticket Chairman, Edith Eagan, 55 S. 12th St., San Jose; 295-6515.

American Library Assoc. gives literature awards

On Monday, March 9, the 1962 winners of the annual awards for excellence in children's literature were announced. The Newbery Medal, first awarded in 1921, was given to Emily Neville's "It's Like This, Cat," the author's first book. The story concerns Davey Mitchell, a 14 year old New Yorker, who relates in a humorous, natural, and engaging manner his experiences over a brief period, his friendships -- both human and animal (his adopted cat) --and the feelings they engender.

The 1963 Caldecott Medal, presented to the artist of the most outstanding picture book for children each year since 1938, was awarded to Maurice Sendak's "Where The Wild Things Are," the highly original tale of a small boy's imaginary round-trip journey to the place where the wild things are. Dressed in a wolf suit, Max is sent to his room for misbehaving. There the walls suddenly vanish, an ocean appears, and he sails away. In that fabulous land Max becomes King of the wild things, who cheerfully follow his lead. The artist has executed his yellow, green, blue, and purple, tempering the appearance of the ferocious yet highly appealing animals who befriend the hero.

The selection of these books and the presentation of the awards are made annually by the Children's Services Division of the American Library Association.

Both books may be found at the Campbell Public Library. "It's Like This, Cat" is in the Young Adult collection; "Where The Wild Things Are" is in the Picture Book collection.

Calling all men! Physical fitness has openings

The Men's Adult Fitness Class which is planned for Del Mar High School still has openings available for men between the ages of 30 and 60 years. The class, which will meet on Monday and Thursday evenings from 7:30 to 9:00 p.m. beginning March 2, includes a variety of fitness activities that will interest the man who wishes to improve his own fitness condition. Activities include conditioning exercises, weight training, tests of motor fitness, home workout routines, and swimming. Participants do not have to attend twice a week, but it is recommended.

For further information please call the Campbell Union High School District-Adult Education Department - at 379-4710.

LENTEN BREAKFAST

Lenten Breakfast is being served for the next three Friday mornings at 6:30 a.m. at the Fireside Room, The Congregational Church of Campbell. During the breakfast meeting a discussion is held on the book, "Household of Power".

College students present program at Grange meeting

Three San Jose City College students entertained the members of Orchard City Grange, No. 333, at their regular meeting on February 25. Misses Judy Ayres, Jennie Fantucchio and Eunice Udarbe presented vocal numbers as well as violin and piano selections for the audience. The tables were beautifully decorated with camellias, sweet peas and daffodils for the social hour. Sadie Proctor was refreshment chairman assisted by Guy Proctor, Henrietta Cash, Mr. and Mrs. Richard Taylor, Mr. and Mrs. A.J. Bawcom and Mrs. G. Van Dyke.

The charter was draped in memory of two late brothers of the Orchard City Grange, Malcolm Blue and Joseph Brown. Home Economics chairman Barbara Nodine announced the next meeting will be held at 10 a.m. on March 13. This will be workshop day to make artificial flowers. Members are requested to bring a sack lunch.

The next Orchard City Grange breakfast will be held Easter Sunday, March 29th, from 9 a.m. to 2:00 p.m. The public is invited.

Bucs win first pre-league baseball game

The Campbell High Varsity baseball team won its first pre-league baseball game by a decisive 7 to 1 score over Wilcox High School in Santa Clara. The Bucs looked extremely sharp in this first outing for both teams.

The starting pitcher was Bob Fancher for Campbell and Rich Joggers for Wilcox. Both starters were charged with the win and loss, respectively.

Joggers of Wilcox recorded 7 strike outs of the first seven Buccaneer outs and finished up with 8 strikeouts for the game high.

Campbell 7 runs, 5 hits. and 3 errors. Wilcox 1 run, 4 hits, and 7 errors.

Campbell: Fancher, Hartigan (3), Hall (6) and Marotti and Rodriguez (3). Wilcox: Joggers, Johnson (5) and Orr.

Saturday is last day to sign-up for Little League

Saturday, March 14 will be the final day to signup for Campbell Little League baseball. Interested parents and boys are requested to come to Field House at the Rosemary School for sign-ups. Seven to ten year old boys will be registered in the morning between 9 and 12. Eleven year old boys are requested to come between noon and 2 o'clock. Twelve year old boys will be registered between 2 and 4 p.m.

Breuner's and Esquire Barber Shop were added to the list of sponsors.

Campbell's netmen defeat Bellarmine

In their first match of the year, Campbell's netmen overwhelmed a supposedly strong Bellarmine tennis team by winning five of the seven matches.

Starting things off was No. 1 man, Jeff McKinley who won in two long sets by scores of 9-7 and 7-5. Number 2 man, Mike Baker came back after losing the first set to take the next two, and won 2-6, 6-1, 6-4. Third Man "Pinky" Rietmann, had an easier time by winning 6-4, 7-5. Our first loss came in a close match between number 4 man Carlos Lara, and a very persistent Bellarmine player, with a final score of 6-2, 5-7, 4-6. Jeff Smith, also had an easy match, winning 6-1, 7-5.

The doubles teams went into action and the first team of Terry Snider and Bob Gannon made a surprise comeback when they lost the first set and came back to a win of 1-7, 6-0, 6-0. Second doubles, Bob Burton and John Melvin had a little rougher time when they lost in three sets by scores of 2-6, 6-2, 4-6, to some very nearsighted Bellarmine boys. This left the final score at 5-2 for Campbell.

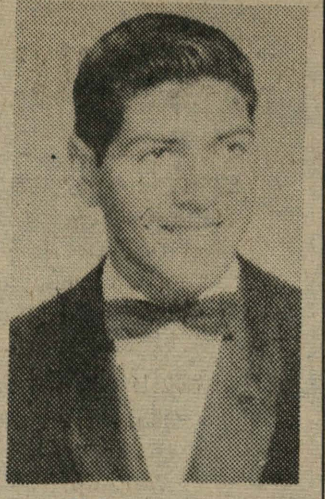
Prospects for a championship team look very good this year with the first five places held by returning lettermen.

Alken Construction is low bidder for school addition

Alken Construction Company's low bid for Marshall Lane Addition #2 has been accepted by Campbell Union School District board of trustees. The bid was in the total amount of $131, 818.

Being within the state maximum allowable, it was accepted subject to the approval of the Department of General Services and the Santa Clara County Counsel. (at the Feb. 27 board meeting)

Warren Crinklaw's low bid of $141, 200 for Capri School Addition #1 was accepted by trustees subject to the same approvals.



PAT HARTIGAN

Maurice Patrick Hartigan, known to his friends as "Pat", can be rightfully called one of the best Junior class athletes in Campbell High, in fact one of the best in all of the high school.

Son of James and Carol Hartigan of Campbell, Pat excells in Football, Basketball, but excels greatest in baseball.

Pat is a pitcher and last year virtually drove the Frosh-Soph baseball team to an undefeated league season with his expert pitching and fine hitting. Although just a junior in high school, Pat has already been scouted by major league agents.

About Campbell High School, Pat feels that "the school is wonderful and has one of the greatest histories in the valley." However, Pat feels "disappointed by the coming of Westmont for it will hurt Campbell."

Pat feels that "this year's team is well rounded and a very fine team. The season should be great.

In closing Pat Hartigan told this to your reporter: "I've always wanted to play baseball and at times that's all that matters to me. But if the choice between baseball and education arose, I'd pick education for its more important than anything else."

JUNIOR RODRIGUEZ

Sostenes Rodriguez, Jr., son of Mr. and Mrs. Sostenes Rodriguez, Sr. of Campbell, is one of a family of ten children. These "cramped" conditions have not "cramped" his catching style for he is a returning all league catcher for the Campbell Varsity baseball team.

"Junior", as he is known by his friends, has excelled in "B" Basketball and Frosh-Soph and Varsity baseball, having been selected all-league for his years of baseball.

A senior at Campbell, Junior feels that the "athletics and Art Departments of the school are great" and "the other departments follow closely."

Junior had this to say about the coming baseball season: "We're going to have to work just as hard as everyone else to do a good job. Maybe even harder. But we do have a bright future."

Junior plans "to go to West Valley Junior College and eventually Cal Poly and to major in Industrial Arts or P.E." But if a major league baseball contract should come up "Then (he) would accept this to finance my way through college."

Again this thought is stated, "education is much more important than what may be a short athletic career."

San Jose Bees looking forward to big season

President Jack Quinn announces that all phases of the pre-season campaign for the San Jose Bees are moving ahead at an excellent pace.

"The start of major league training must have helped us, as our season ticket sales and sale of program advertising really picked up last week," Quinn said.

All fence signs have been sold and are in the process of being painted, and Quinn says the Bees are nearing the 200 mark in the sale of season ducats, and that the program is filling up rapidly.

"Our season ticket sale puts us only 400 or 500 behind the Kansas City Athletics," Quinn quipped.

Quinn reports he plans something special almost every night of the season. It is tentatively planned to have a fan appreciation night every week when prizes will be given away, and a giant appreciation night will be slated the final night of the campaign.

"We're looking forward to a successful season. This is our third year of operation and more people know of us. And if we come up with a strong club it will be that much better," he said.

"We're trying to develop things so people will have a lot of fun at the ball park, and we want them to be surprised once in a while."

The Bees, who will be managed by Rocky Bridges, colorful veteran of 11 seasons in the majors, will open training in Anaheim on March 10. They will open the California League season on Tuesday night, April 21, hosting the Bakersfield Bears in Municipal Stadium.

Blossom Valley Garden Club meets March 18

The Blossom Valley Garden Club will meet at the Vasona Art and Garden Center, Wednesday, March 18th, at 1:00 p.m.

Mrs. Hazen Suttkus, Chairman, will present a program featuring "Birds".

BIG CHAIR-SMALL CAR--Mrs. Thomas Lasley and Mrs. Robert George of San Jose encounter a small problem of how to fit a donated wheelchair into a small car. Mrs. Lasley is project chairman for the American Woman's Voluntary Services, a woman's service club which is currently collecting all unused wheelchairs and other equipment used by the handicapped to build up the loan closet of the Crippled Children's Society. Anyone wishing to donate equipment is asked to call Mrs. Donald Wallace at 243-9865.

Altar Society's March meeting has Irish theme

A bit of "Old Erin" with a touch of Irish humor highlighted the March meeting of St. Lucy's Altar Society on Thursday, March 5th.

Entertainment Chairman, Mrs. Edna B. Creighton, delighted the membership with a most interesting and humorous program.

With today's emphasis on air travel which brings us within a few short air hours of the "Emerald Isle" Mrs. Creighton related the Irish tradition of blessing each plane on their airlines and not only christening them but also giving each plane the name of an old Irish saint.

Aer Lingus Irish International Airlines takes special pride in each and every plane in their fleet. Within each aircraft is a solemn and beautiful prayer and as the green and silver planes traverse their way across the sky -- it is not only legend but actual fact that both passengers and crews begin and end their journey upon the wings of a prayer.

An added bit of humor was provided by Chairman Creighton who gave a few Irish renditions on her harmonica.

Refreshments were served and a very good time was had by all.

Voters League begins study of state legislature

The California State Legislature... how responsible and how responsive it is to the electorate... will be under study by members of the League of Women Voters throughout the state for the next two years. Members of the Central Santa Clara Valley LWV will begin their study during March meetings, with material prepared by Mrs. Clarke Carey of San Jose and her committee.

Topics slated for discussion include the primary and general election laws, political campaigns, their costs and financing, and the "purity of election" laws in California.

Mrs. Glen McClelland of Campbell is a member of the State Item workshop and will help present background material and discussion questions. Campbell women interested in the LWV are invited to attend the Willow Glen unit, which will meet on March 17 at 10 a.m. at the First Congregational Church, Hamilton and Leigh Avenue, San Jose.

For further information, Mrs. Olney Smith at 269-0808 is unit chairman.

District Deputy to pay official visit to YLI

An Easter theme will dominate the evening of the official visit of the District Deputy, Mrs. Velma Branigan, to St. Lucy's Y.L.I., Campbell, Thursday, March 19. Easter flowers and bunnies will decorate the tables at the potluck dinner to be held at 6:30 p.m. in St. Lucy's Church hall, Winchester Blvd. Committee chairman, Mrs. William Chicoine, will be assisted by Mmes. Jackson Davis, Louis Flores, Robert Herriman, George Kruder and A. Von Stetina.

Decorations will be handled by Mmes. Charles Buckley, James Conners, Thaylo Munemitsu and Edward Space. Corsages will be donated by Mrs. Ralph Doetsch.

Chairman of the evening, Mrs. Frank Bush, will preside over introduction of officers to the District Deputy at the meeting. Initiation of new members will also take place at the meeting. Entertainment will follow the official meeting. Invitations were sent to nine institutes in the Santa Clara county; Mrs. Carolyn Jackson, Grand President; Mrs. Sue Cusimano, Institute Deputy and Rev. William Duggan, Institute Chaplain.

Music Festival to be presented by high schools

The Campbell Union High School District is holding its Music Festival on Thursday, March 19, at 8:00 p.m. in the Campbell High School Auditorium. It will feature the combined A Cappella Choirs and String Orchestras of the five high schools, which are directed by Raynold Allvin at Blackford, Richard Gordon at Camden, Laurence McCommas at Campbell, Frank Triena at Del Mar, and David Wilson at Leigh High School. The program will be composed of a string orchestra directed by Richard Gordon of Camden High, and the Mass in G Major for Choir and Orchestra under the direction of Dr. Roy Freeburg of San Francisco State College, guest director, featuring Sharon Gilbert, Soprano; Kenneth Taylor, Tenor; and Sam Espeseth, Bass, members of and soloists with San Jose State College.

The public is cordially invited and admission is free.

San Tomas PTA meets March 17

"Music Hath Charm" is the theme for the March 17th meeting of the San Tomas P.T.A.

There will be a demonstration of music by some children from the first, third, fourth, and sixth grades.

Chairman of the program is Bob Crawford, sixth grade teacher.

Female quartet enters contest

Mrs. John O. Kelly, of 98 N. Milton Avenue, returned home Sunday from Salt Lake City, Utah, where her barbershop harmony quartet, "The Valley-Hi's", performed in Salt Lake's Sweet Adelines' annual Show.

Invited to the two-night barbershop extravaganza by Sweet Adeline Regent Vera Scott, of San Francisco Chapter, the Quartet enplaned to Utah aboard United Airlines, all-expenses paid by the Utah Chapter.

"The Valley-Hi's" include four members from the championship Mission Valley Chapter of Sweet Adelines, of Santa Clara. Mrs. Kelly, a local teacher in the Campbell Union School district, sings tenor for the group. Mrs. Duane Sagen, of Sunnyvale; Mrs. Harold Rook, of San Jose, and Mrs. Gloria Friesen, of Sacramento, complete the quartet.

A highly competitive quartet in Sweet Adeline circles, this foursome placed 16th in International competitions held last Fall in Berkeley, Calif. On March 20th, the group will be competing in the Civic Auditorium in San Jose, for the Regional Championship crown.

IRISH SOCIAL CLUB

The Irish Social Club will hold its annual St. Patrick's dinner dance at Mary Ann Gardens, 901 Lincoln Avenue, San Jose, Saturday night, March 14. Festivities will get underway at 7 p.m. Mr. and Mrs. John O'Connell, 1484 E. Picadilly Lane, Campbell, are among the local members of the organization. Reservations may be made by calling AN 9-0859.

BARBERSHOP STYLE --This attractive group of young matrons are "The Valley-Hi's", a local barbershop harmony quartet from the championship Mission Valley Chapter of Sweet Adelines, which performed in Salt Lake City, Utah recently. Pictured, (left to right) are Mesdames Harold Rook of San Jose, John O. Kelly, 3 No. Milton Avenue, Campbell, Duane Sagen, Sunnyvale and Gloria Friesen of Sacramento.

New art students to display work

The Campbell Country Woman's Club will have an exhibition of first drawings and paintings of new art students of the Adult Education classes under the tutelage of Judy Howland, Campbell Adult Education Art Teacher.

"Open House" at Campbell Ave. and First Street will be held between the hours of 1:30 and 4:30, Sunday afternoon, March 15th.

The public is invited to view the new show plus the added attraction of the Campbell Museum in the same building. All art displays change every four weeks, so there is always a surprise in store for the monthly visitor.

Latimer to have rummage sale

Latimer Home and School Club will hold a "Clean-Out Your Closet Sale" at the IOOF Hall, Campbell, on March 17, 18 and 19th. Proceeds from the sale will be used to buy books for the Latimer School Library.

On the evening of the 17th at 7:30 P.M., the March General Membership Meeting will be held in the Library. Mrs. Dee Neuman will have charge of the program on "Hiking and Camping". Nominations for the coming year will be presented by the Nominating Committee.

Mrs. Roy Swanson elected president of Moreland PTA

New officers for 1964-65 term were elected at the last meeting of Moreland School P.T.A. Mrs. Roy Swanson was elected president. Other officers chosen were Mrs. Ralph Medefesser, First Vice President; Miss Louise Johnston, second vice president; Mrs. Helen Shanteau, secretary; Mrs. Raymond Wolfe, Treasurer, Mike Frenette, auditor and Mrs. Gladys Thomson, historian. Dr. Wallace W. Hall, president of the West Valley Junior College, addressed the members on the pros and cons of the bond election.

Heart chairman reports lag in contributions

Heart Sunday contributions in Campbell are down a little, it was reported today by Mrs. George Wardy, Heart Sunday chairman for this area.

On the basis of an initial tally, $2805.02 has been counted in contribution envelopes returned by area captains. Last year, at the same point in the count, a total of $3107 had been recorded. However, some kits are still out and it is expected that the final count will reach last year's high. "I sincerely hope that residents of Campbell who were away on Heart Sunday will lose no time in sending in their contributions to the Heart Fund in the pre-addressed envelopes left at their homes," the Heart Sunday chairman said.

She added, "the success of the Heart Association's fight against heart attack, stroke, inborn heart defects, high blood pressure and the many other heart and circulatory diseases depends upon these gifts."

Mrs. Ruby Giese awarded PTA life membership

The Hamilton School P.T.A. held its annual Family Night Dinner on February 17th. At the meeting which followed the dinner, an Honorary Life Membership was awarded to Mrs. Ruby Giese, the school secretary. A booklet was compiled of notes written by parents, teachers, and District Personnel in praise of Mrs. Ruby's many fine qualities and presented to her by Mr. Jim D'Avis, the school's principal.

The program ended with a lively discussion by three Foreign Exchange Students, Rosemarie Roels of Belgium attending Campbell High, Aziza Nofal of Egypt attending Camden High, and Cesar Noreiga of Peru attending Del Mar High.

The next meeting for the Hamilton P.T.A. will be held on March 16th.

Sophomore parents hosts tonight at Campbell PTA

Campbell High School P.T.A. will meet March 11th., at 7:30 p.m. in the school cafeteria. Sophomore parents, being the host at the friendly, informal meeting where guests are seated around small tables and given an opportunity to get more acquainted with other parents and teachers.

On the program for the evening will be, Mr. William Jefferds who will talk on Legislation. There will also be the election of officers.

All Campbell High parents and friends are invited to attend.

Service Notes

REASSIGNED

Second Lieutenant Arthur J. Preuss of 1169 Smith Ave., Campbell, is being reassigned to Patrick AFB, Fla., following his graduation from the course for United States Air Force communications officers here.

Lieutenant Pruess, son of Achim Pruess of 580 Ahwanee Ave., Sunnyvale, was trained in the operation, maintenance and management of radio, teletype and cryptographic communications equipment and systems.

The lieutenant, a graduate of Campbell High School, has a B.A. degree in industrial arts from San Jose State College. He was commissioned in 1963 upon completion of Officer Training School at Lackland AFB, Texas.

ABOARD USS KAWISHIWI

John I. Plymale, radarman third class, USN, son of Mr. and Mrs. Jack E. Plymale of 214 North Third St., Campbell, is serving aboard the fleet oiler USS Kawishiwi, operating out of Pearl Harbor, Hawaii.

Kawishiwi, a unit of the Pacific Service Force, will help the force celebrate its 22nd anniversary during March. The force utilizes over 100 ships of 20 different types to provide food, fuel, ammunition, salvage assistance and repair services to the Pacific and Seventh Fleets.

COMPLETES COURSE

Army Pvt. Joe G. Fierro Jr., 22, whose parents live at 13620 Saratoga Ave., Saratoga, completed an eight-week general supply course Feb. 28, at Fort Ord, Calif.

During the course Fierro received instruction in the receipt, storage and issue of supplies and material.

He entered the Army in November 1963 and received basic training at Fort Ord.

Fierro is a 1959 graduate of Los Gatos High School. He was employed by the Bayshore Paper Company in Santa Clara, before entering the Army.

IN TAIWAN

Marine Gunnery Sergeant John G. Chrestman, Jr., son of Mr. and Mrs. John G. Chrestman, Sr., of 50 West Catalpa Lane, Campbell, is participating with the First Marine Aircraft Wing in a coordinated U.S.-Nationalist Chinese amphibious exercise called "Operation Backpack" being conducted off the coast of Taiwan.

ABOARD SHIP

Ronald L. Bergeson, seaman apprentice, USN, son of Mr. and Mrs. John D. Bergeson of 2254 Wren Way, Campbell, is serving aboard the destroyer escort USS Charles Berry, operating out of San Diego, California.

Berry is currently undergoing overhaul in the Mare Island Naval Shipyard near San Francisco, Calif. During the overhaul, Berry will receive new navigational and anti-submarine warfare equipment which will increase her capability and versatility.

In addition, Berry's engineering plant and electronic equipment will be completely overhauled.

IN TEXAS

Navy Ensign Charles E. Harrison, son of Mrs. Marcella C. Harrison of 1982 South Bascom Ave., Campbell, reported Feb. 12 for schooling with Training Squadron 29 based at the Naval Air Station, Corpus Christi, Texas.

He will receive instruction in airborne navigation and will spend over 72 hours airborne in training aircraft.

Upon completion of this course he will be assigned to a fleet squadron or to another school for more advanced training.

DON'T TOUCH

Three year old Renee Robinson, daughter of Mrs. Barbara Robinson, 3562 Parkland Drive, had been warned to keep her hands behind her back and "not touch" when on a field trip with other pre-schoolers to Erwin's Pet Shop, 1715 Winchester Blvd. last week.

Curiosity got the best of her, however, and she stuck her finger into the cage of 14 rabbits and was bitten on the finger. Now the rabbits are quarantined for two weeks and Renee is nursing a sore finger.

Scouts

The 54th Anniversary of the Boy Scouts of America was celebrated by Pack 377 of Cherry Lane School with a "Blue and Gold" dinner at Hazelwood School on February 20th. Mrs. Lelo Ageson's Den #3 presented a skit, "The Beginning of Cubbing in America," which told of Rev. Bennett's (past minister of the Congregational Church of Campbell) founding of Cub Scouting in Campbell and the United States.

Mrs. Helen Hilton's Den #4 presented the colors.

Mrs. Katie Ross' Den #2 said the grace before dinner.

The potluck of many delicious foods was enjoyed by all.

Mr. Gerald Lucas, the Committee Chairman, presented the Pack's charter to Rex Jeffers, president of the Cherry Lane Home and School Club, the Pack's sponsor.

The den mothers' helpers who were presented with denner stripes were Bob Jones, Bill Branson, Randy Johnson, and Scott Keesling and those with asst. denner stripes were Lennie Macdonald, Jeffrey Pigg, and Paul Brown.

Boys who achieved their first step along the cubbing trail and received their Wolf Badge were Lennie Macdonald, Mark Laville, Kevin Miller, and Steven Southard.

Boys who have continued to follow Akela along the cubbing trail and have earned their Bear Badges were Ronnie Rice, Bill Beyer and Brad Harrison.

Gold Arrows were earned by Danny Blood, Ronald Rice, Bill Beyer, Brad Harrison, George Jeffers, Clifford Davis, Scott Keesling, Joe Meduri, Paul Brown, and Robert Bruce.

Paul Brown was awarded two silver arrow points and Scott Keesling and Steven Lopez were awarded one silver arrow point.

Asst. Cubmaster Don Mason was awarded his one year pin.

Recognition was given to Mrs. Betty Miller for her work as Blue and Gold dinner chairman.

Dennis Walden completed another step along the trail when he earned his Webelos Badge.

Robert Bruce, having come to the end of the trail, was graduated into a Boy Scout Troop of his own choice.

Mrs. Gerald Lucas closed the meeting with the reading of a thoughtful poem, "What is the Gift You'll Give Your Boy?"

CUB SCOUTS
CUB PACK 309

The Cub Pack 309 meeting was held January 31. Those receiving awards are as follows:

Ronnie Sneed - denner, Tommy Newman - asst. denner, Richard Stater - 1 yr. perfect attendance, and 1 yr. pin, Jimmy Mattison - 1 yr. perfect attendance, Jimmy Stephenson - 1 yr. perfect attendance and 1 yr. pin, Scott Carter - 1 yr. perfect attendance and 1 yr. pin, Mike Thompson - 1 yr. pin, David Dresson - Wolf, Gilbert Rosenberg - 1 yr. perfect attendance, Chuck Nordheim - bear, 1 yr. perfect attendance, Ronald Lind - gold arrow, silver arrow, and denner, Brent Ebner - asst. denner, Richard Ciamaichella - lion, silver arrow, and Webelos, Randy Rinauro - 2 yr. perfect attendance, Ricky Carlson - Webelos, and 2 yr. perfect attendance. Brad Miller - Webelos, Richard Anderson - Webelos.

Cubs of Pack 309 attended Church Service on Sunday, February 16 at the Congregational Church.

The Blue and Gold Dinner will be held February 28 in the cafetorium of the Moreland Grammar School.

Dr. Olds to speak at breakfast meet

A trip to the icy South Pole with Dr. Corwin H. Olds conducting the tour is in store for all those who attend the 7:30 a.m. Dobie Club breakfast meeting at The Congregational Church of Campbell Sunday morning, March 15. Invited to attend this special meeting are all men of the church, and their wives and guests.

Dr. Olds, recently returned from a tour of the South Pole where he was a guest of his son, Commander Corwin A. Olds, Operations Officer, U.S.N., Antarctic Support Activities. Dr. Olds, minister emeritus of the church, will show slides of some of the many fascinating things he saw while visiting the South Pole region.

Reservations are required for this breakfast

GIRL SCOUTS

Girl Scouts over the whole Bay area will be selling cookies this year from March 6 through the 16th. While the Girl Scout organization is a participating member of the United Fund which provides two thirds of its support, there is still that all-important, one third which it must earn for itself. What does this necessary one third provide for the all-inclusive term, "Girl Scout organization"? It helps to provide more troops to serve more girls, free training for all 3,000 adult volunteers, professional and office services, written materials to keep leaders up to date, special opportunities for girls, a free loan library, toll-free phone service to the Central Scout Office, and, more important to the girls themselves, a chance to build their individual troop treasuries for those weekend camping trips or special projects which mean a good Girl Scout program.

There has been a change to a new cookie company to supply the cookies this year, and the results are delicious. As before, three varieties are being offered, the popular mint and shortbread cookies, and a new one, a nut-butter sandwich cookie.

The fact that cookies freeze well has not been overlooked in the past by many a forward-thinking individual, much to the delight of several nursery schools in the area, as well as PTA and other club meetings. The community's support of the cookie sale and the United Fund in past years has made the dream of Girl Scouting a reality for 15,000 girls in Santa Clara County.

SCIENCE FAIR

Students in the Campbell Elementary Schools are working on science projects they hope will be chosen to be displayed at the Campbell Union School District Science Fair April 4.

...

H. A. Vollenweider returns to Campbell location

Holland A. (Holly) Vollenweider, former Campbell realtor and president of the San Jose Real Estate Board, has returned to his former location in Campbell at 2050 South Bascom Avenue.

Vollenweider, who purchased the property at the corner of Bascom and Arroyo Seco Drive in 1957 and opened a real estate office, sold his business in 1961 and took a position with Valley Title Company as assistant vice-president. In May, 1962, he went back into the real estate business and has been operating from offices located at 1799 Hamilton Avenue. Plans are in the making for a new 5000 square foot business building to be constructed at the Bascom Avenue location. He has been a director of the California Real Estate Association for five years and is currently the Chairman of the Multiple Listing Committee of the CREA. He and his wife reside at 2517 Aragon Way.

Former resident, Mrs. Carl Olsen, succumbs in East

Mrs. Elizabeth E. Olsen, 74, a former resident of Campbell, passed away in Bristol, New Hampshire, last month. Mrs. Olsen was the wife of Carl Olsen. She and her husband were residents of Campbell for 45 years. They owned the property at Llewellyn and Latimer Avenue where Eastfield is now located. The couple moved to Bristol about two years ago to be near relatives.

Mrs. Olsen was a native of Sweden. Funeral services were conducted by the First Church of Christ, Scientist, of which Mrs. Olsen was an attendant. Survivors in addition to her husband include a niece, Mrs. Harold Howe and two nephews, Robert Erickson of Bristol and Norman Erickson of Newport, R. I.

San Jose Hospital offers nurse refresher course

Inactive registered nurses in the Campbell area have been invited by San Jose Hospital to register now for an 11-week refresher course to qualify them for re-entry into active nursing.

Classes begin April 6, according to Mrs. Ruth Slavik, R. N., inservice education supervisor for San Jose Hospital. Registration deadline is March 26, Mrs. Slavik added.

Applicants must be at least 21 years old and have a valid State of California nurse's registration.

No charge is made for the instruction, and participants will be paid by San Jose Hospital at the rate of $75 a month for the first eight weeks and at the rate of $150 a month for the final three weeks of the program.

Classes will be held in San Jose Hospital, 14th and E. Santa Clara streets, San Jose, Mondays through Fridays, holidays excepted, Mrs. Slavik said.

"Graduates" will be eligible for employment by the hospital at regular staff nurse salary.

During the first eight weeks, emphasis is placed on bringing the nurse abreast of the latest developments in nursing techniques and in the use of medicines. The final three weeks is given over to instruction in nursing team leadership methods, Mrs. Slavik explained.

San Jose Hospital will "graduate" 11 registered nurses from its refresher course ending March 25.

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF SANTA CLARA
No. 153569
ORDER FOR PUBLICATION OF SUMMONS
MARIE B. SACAY, Plaintiff, vs. ANATALIO J. SACAY, Defendant.

Upon reading and filing the verified complaint of MARIE B. SACAY, and it satisfactorily appearing therefrom that the defendant has departed from the state, or is concealing himself within this state; and it also appearing by the verified complaint on file herein that a good cause of action exists against said defendant in favor of said plaintiff, and it further appearing that a Summons has been duly issued out of said Court in this action, and that personal service cannot be made on said defendant within the state of California for the reasons hereinbefore stated;

IT IS HEREBY ORDERED that service of the Summons in this action be made upon the defendant, ANATALIO J. SACAY by publication thereof in the Campbell Press, a newspaper published in the County of Santa Clara, State of California, which newspaper is hereby designated as the newspaper most likely to give notice to said defendant, and that such publication be made once a week for four (4) successive weeks, with at least five (5) days intervening between the respective publication dates, not counting such publication dates.

Girl Scouts

Friday evening, March 6, marks the beginning of the celebration of the 52nd anniversary of Girl Scouting in the United States, with Girl Scouts attending services in Jewish synagigues in the area. Sunday, March 8, the Girl Scout Sabbath will be celebrated in the many Protestant and Catholic churches. In some refreshments will be served after the services to all Girl Scouts in uniform.

The theme of Girl Scout Week this year is "Girl Scouting - a Promise in Action", which refers to the Promise all Girl Scouts make and which underlies all their activities.

March 12 is the actual birthday, marking the first meeting of a Girl Scout troop in the United States.

Two years ago Girl Scouts all over the country planted "golden flowers" around schools and churches to celebrate their "Golden Anniversary". The girls, their teachers, and friends are visually reminded of this each spring as the flowers bloom again. As the girls who planted the flowers grow out of each age level they pass along the care of the flowers to a younger troop who perpetuate the gentle reminder of "Girl Scouting - a Promise in Action".

This area is a part of the Santa Clara County Girl Scout Council which provides Scouting for almost 15,000 girls, with 3,000 adult volunteers aiding the program - and this is only a part of the three and a half million Girl Scouts in the United States who promise, on their honor, to try "to do their duty to God and their country, to help other people at all times, and to obey the Girl Scout laws." These laws which they try to live up to project the concepts of loyalty, honesty, courtesy, cheerfulness, cleanliness, usefulness, and kindness, a sound code of ethics for youth anywhere.

This is the year of change in Girl Scouting, with the new wide age range troops, on four new levels, with four beautiful new handbooks. Leaders and girls are finding new challenges as well as old familiarities. The basic ideals are the same, but the program has undergone an updating to keep in stride with the times.

Funeral held for father of local man

Funeral services were conducted yesterday at Oak Hill Mortuary and Memorial Park for Dr. Herbert J. Moncrief, 75, of Santa Clara. Dr. Moncrief, a retired meat inspector for the California Department of Agriculture, was the father of H.J. Moncreif Jr., of 994 Burrows Road, Campbell. He was a native of Arkansas, and a doctor of veterinary medicine.

Moncrief is also survived by his wife, Mrs. Jeanette A. Moncrief of Santa Clara, and two other sons, Robert N. Moncrief of Saratoga and Andy E. Moncrief of San Jose and three daughters

Political Parade

City Council election, Tuesday, April 14

MORE NEXT WEEK!
Next week The Press will print the statements of the rest of the candidates. Watch for this page next week!

Three vacated seats on the Campbell City Council are to be filled by election Tuesday, April 14. Mayor Peter B. Lico and Councilman Henry Weitzel are stepping down. Dr. Edward J. Rogers is seeking reelection.

The following men have filed for election to the Council: Edward H. Bealer, insurance agent; John E. Billmeyer, Public Relations; Elmer Blakey, Engineer; Richard A. Mayne, Coroner Investigator; A. Ross McConnell, Chiropractor; William P. Mertsching, Real Estate Salesman; Charles Rose, merchant; William S. Smeed, Attorney at Law; Sidney A. Smith Sr., electrician and Edward J. Rogers, College teacher.

The Campbell Press, in the interest of the voters, compiled a list of questions pertaining to city affairs, which each candidate has answered. The questions and answers of the ten candidates are listed here.

RICHARD A. MAYNE

STATEMENT

After careful consideration and evaluation of the present situation in the City of Campbell, I have decided to again seek election to the City Council. In this regard, I believe that experience is necessary to insure both the knowledge and capacities demanded for a proper balance in the fast-growing City of Campbell.

Of greatest concern to provide for the unfinished business, fiscal economies and programmed progress of our City, I wish to submit the following:

1. A proper balance must be under continuous evaluation to provide present and future harmony between tax use and work loads. Any imbalance hurts either the pocketbook of our taxpayers or the services provided for them; imbalance causes both inefficiency and moral weakness within our City employees.

2. With the final limits of City area now nearing completion, it is necessary to concentrate on better service to the areas now with the City limits, and within the better development of harmony between this City and its neighbor commun- the better development of harmony between this City and its neighbor communities. Much in this area of need can and should be utilized.

3. In the field of recreation for ourselves and our children, I propose immediate transformation of nine acres of presently-owned City property into an operating City Park at West Rincon Avenue and Dot Avenue. We have the present need to reactivate the more progressive attitudes initiated nearly four years ago, with special emphasis on the continuation of Campbell Park and completion of the Children's Park on Campbell Avenue.

4. Establishment of a Campbell Avenue Development Program should be set in motion, providing for off-street parking, beautification and road repairs; of particular emphasis is the permanent repair of the Railroad crossing at Campbell Avenue and Railway.

5. To provide more person-to-person interest in City government, I propose the formation of the "Greater Campbell Citizens Commission" of members appointed by the City Council, who could form smaller separate committees on study and advice in the fields of Transit, Personnel (Civil Service), Recreation, Economic Development and combine to form a composit whole for a better and more prosperous City of Campbell. Other fields of more active citizen participation in local government should be encouraged and developed.

In order to accomplish these aims, I submit my record to the voters with four years experience as a prior City Councilman, two years experience as a City employee of Campbell, seventeen years of experience as a government employee, Past Vice-President of the Penninsula Division of the League of California Cities, a member of the International Municipal Cooperation Committee for the League of California Cities, a member of the American Municipal Association, and nearly three years as Campbell's representative on the County Trafficways Committee.

Experience is necessary to plan and provide for the better development of Campbell, and to safeguard the taxpayers with maximum service for minimum dollars. I have the experience, and the ability to fulfull these needs. I enthusiastically anticipate the joy and satisfaction of serving my friends again as one of their City Councilmen.

RICHARD A. MAYNE RESPONSE TO QUESTIONNAIRE OF CAMPBELL PRESS

1-What do you think of Campbell's Park Program?
I would reactivate the more progressive attitudes initiated in 1959. Special emphasis should be for immediate construction of phase #2 of Campbell Park, immediate development of at least a portion of the City owned Rincon Avenue nine acre park and completion of the Childrens Playground on Virginia. We must look forward to working with the County and Los Gatos for an ultimate chain of parks down Los Gatos Creek:

2-What do you think of the Corporation yard?
Since I voted against the present location of the Corporation yard, I still feel it does not properly add to the esthetic value and believe a location change should be considered to allow the present location to be used for future Park and Recreational purposes and the picturesque improvement of our city. The Corporation yard could serve the city as well in a light industrial area, rather than being an eyesore distraction:

3-What do you suggest for Campbell Avenue?
The installation of off-street parking as previously suggested in a joint City-Property Owner operation, would enhance the appearance and utility value for our needy business enterprises. The immediate and permanent repair of the railroad crossing and at least resurfacing. Special emphasis should be placed on the report of the Downtown Committee which has not been acted upon:

4-What in your opinion is Campbell's future?
Campbell's future lies in the State directed Planning Report which indicates this will be a city of 55 thousand persons. We have seen our most aggressive annexation days (1958-1962) and must now direct our attention to providing the utmost in Planning and city services to the area we now encompass:

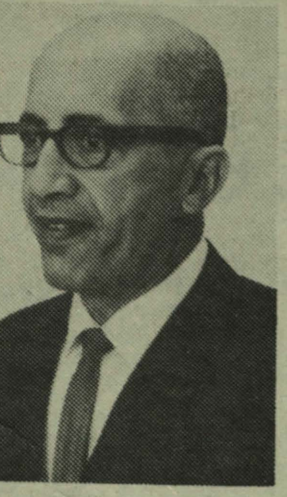
5-What do you think of the present administration:
The present administration has carried thru on some major projects that were pre-planned; However, it is my opinion that this administration has fallen behind in the areas of Fiscal Responsibility, Parks, and the report of the Downtown Committee. I further question the use of such methods as the 1911 act to FORCE action on the part of the property owners. There has also been present the 3 to 2 vote that has been questioned in the past by the Campbell Press:

6-Why do you want the job?
Experience is essential at this time to restore the budget to a proper position and not have to ask for another bond election. 17 years as a Governmental employee and 4 years as a Councilman gives me this experience:

7-What do you think are Campbell's problems and how do you propose to solve them?
A majority of Campbell's problems could be solved thru the formation of a "Citizens Advisory Council or Committee". Get the citizens active in Campbell Government and grow above the prevailing apathy. The League of Cities also has many experts available in an advisory capacity which have not presently been utilized.

The answer to many of our problems might also be solved with the investigation of a broader form of Government with more purchasing power, planning area, tax base, etc... I refer to the Township form of Government which now operates in many areas. I suggest that harmony with some of our neighbors might bring about such an investigation. I do not and have never been an advocate of Metro Government and do not now suggest this: I refer you to a report submitted to the City Council by me in 1961:

THANK YOU
RICHARD A. MAYNE
825 Ricky Dr.
Campbell



CHARLES ROSE

CHARLES ROSE

1. What do you think of the Campbell Park Program?
Parks are where you find them. In Campbell's case it was always at the bottom of the budget, but in reality it was the most profitable department, regardless of its size, thanks to the foresight of the Council prior to 1960 and to the West Valley Council of Clubs. Property purchased from the state was sold by the City to Breuners for an $80,000 profit and there is an estimated sales tax of $60,000 a year from this business. It was only this specific location that brought Breuners to Campbell. We are way behind on Parks and the only way to bring the program up to date is as follows:

1. A realistic tax rate of 75¢ to 85¢.

2. A General Obligation Bond, presented to the people without a tax hike. My personal estimate on this bond would be $500,000.00 and this could be done within the framework of an 85¢ tax rate and possibly less. This would be the only method to achieve this program as piecemeal will never do it.

3. An Olympic size swimming pool which would add $150,000.00 to the above estimate. (This could be self supporting)

4. When Phase 2 of the Campbell Park is completed the maintenance of this park should be put out to bid for someone with skilled knowledge, time and with pride in the work. This could also be more economical for the city.

2. What do you think of the Corporation Yard?

1. The site of the Corporation Yard is excellent.

2. The price of constructing the buildings should not exceed $75,000.00, and this should include housing the Engineer's Department.

3. Fencing should be of wood, 7 feet high with an inset every 15 feet for tree planting, and the slope fill towards the creek should be planted in Ice Plants. This is a must as this area is the Front Porch of our city. The fencing and planting should be formed into an Ordinance.

4. Here again is a whole complete area that is going nowhere. The area from Railway to Gilman and to the south needs, now, a complete study and a legal plan for this area. Then, only, will it get off the ground. A legal plan for this area, with a due date attached, would be fair and equitable for present property owners and for the investment of future property owners. People have to know How we are going, When, Where and Why.

3. What is your opinion of Campbell's future?
Campbell, like every city has a future, but it takes interest and hard work to sell a well balanced program. We need to get more business developments for sales tax revenue. The DownTown Core - the whole old section of Campbell, developed, would add 20 to 25 million to our assesed valuation with very little, if any, increase in our present services. Think what that would mean to the city taxpayers. Dreaming of High Rise - I would like to see it in legal form along with a few other provisions, to encourage investors to develop the older section of Campbell. This would take a lot of meetings with the DownTown Committee, Chamber of Commerce Committee, Planning Commission, the City Council and all of the Clubs in Campbell. Campbell has a great future. The outskirts--Hamilton Ave., Bascom Ave., and Winchester--will develop on their own merit and will fall into our lap as they are on the hub of the wheel, but the nut, or DownTown Core, will take a lot of work and selling to get it off the ground. Yes, it has a future with the best potential.

4. What do you suggest for Campbell Avenue?
The DownTown Committee of property owners, the Chamber of Commerce Commercial Committee should have meetings and come up with a working plan that will get off the ground now. It is faced with a lot of problems but a stubborn attitude will not correct it.

1. Off-street parking to be formed by an assessment district. Also, new sidewalks where needed.

2. City to construct a new complete street as it has been needed for years.

3. Utility poles to be moved to the rear of businesses.

4. Right turn lane west of railroad tracks to Harrison Ave., save both Black Walnut trees and maintain them, sidewalk, and brick effect around trees. In my thinking, these trees are an asset to the community and would be in memory of J. C. Ainsley, who was a great citizen of Campbell.

5. City to install signalized lights on Central Ave. with controls from the fire house for a safety factor when there is a fire. Also install signal lights on Second and Campbell Ave. Lights on these two intersections will be a great aid to pedestrian traffic, make shopping easier and will enable left hand turns.

6. When the above is complete, Campbell Ave. will be able to have four moving lanes of traffic.

5. What do you think of the present administration?
We have had our differences of opinion. The tax rate can and should be lowered. This is very important to all property owners, to business of all kinds, and to encourage new industry into the area. With the sales tax revenue increasing each year, we can and should lower the tax rate accordingly. This would create a larger assesed valuation by the new development that Campbell would attract and also increase the sales tax. In the area of service rendered every one has different views, I have mine. A ceiling of what we can afford has to be established. This would give us a better balanced budget and would enable us to do some of the projects which are in dire need at this time. There has been a lack of interest on the over-all DownTown Core. The interest here must be stepped up. We should get a complete report from the assesors office of the assessed valuation from 1960 to 1964 of the old Core. This report would be a good indication of where we have been weak. Then we could go to work on it with study and plans, encouraging new investors to come in. We can and should do our own redeveloping. City Hall belongs to the people and that is where I would like to see the people. Ideas come from the people and in essence this would make a greater Campbell.

6. Why do you want the job?
During my six years on the council, I helped bring about the following improvements and accomplishments to the citizens of Campbell.

Street Bond improvements in 1958.
Storm Bond improvements after one defeat at polls 1958.
Purchase and remodeling of City Hall, also purchase of lot joining Fire House #1 and City Hall.
Purchasing property from state that was sold to Breuners. This was a great investment in many ways for the tax payer.
Prevented Corporation Yard from locating on present Park site on Campbell Ave.
Annexing property south of town on Winchester Road for Industrial Park with controlled manufacturing enabling I. B. M. to locate in Campbell along with others.
Widening of Hamilton Ave. before Street and Storm Bonds and sales tax, with storm and street improvements, from Winchester to Central.
West Valley Dump, filling and reclaiming 20 acres of valuable land that can be seen now from the freeway. Also this saved the retaining way, built by the W.P.A., which was ready to go. This dump was allowed under vigorous protest. Foresight made this tremendous asset to the City possible, as one can see with the development there now and in the future. All these projects have been accomplished with foresight, for the best interest of the taxpayers of today and of tomorrow.
Establishing 120 foot plan line on Hamilton Ave. in 1955, prior to Route 5 freeway. Also a 90 foot plan line on Winchester and an 80 foot plan line on West Campbell Ave.
There is need for many more like improvements and I feel that my experience qualifies me to be able to help secure them. Being a life long resident of the City of Campbell, I know the history and the problems and can see the future growth. I have to admit I love this town and want to see it prosper. I am willing to serve on the Council to this end.

7. In your opinion what are Campbell's problems and how do you intend to solve them?

1. Work toward establishing a lower tax rate.

2. Sound development of the over all old Core of the City, in planning and zoning, encourage investors, developers and new commercial businesses, etc.

3. Over all community effort for a park program as recommended on #1.

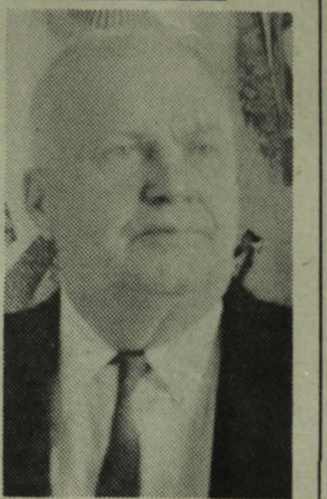
4. Provide parking around City Hall to First St. as I recommended in 1959 in my DownTown plan. Bus station could be located in this area.

5. I want to see streets that are open now stay open, Latimer and Rincon, and even to extend them further.

6. Farm out some city work when it is a saving to tax payers. This is just good business.

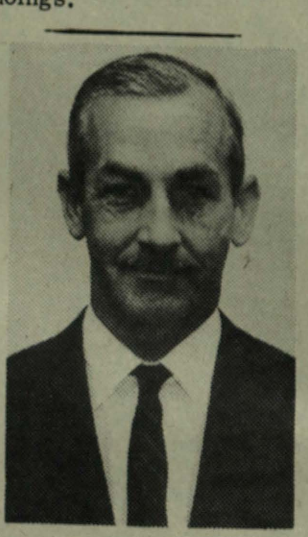
7. Gas tax funds, alone, are not enough for street programs. Budget time, with effort, can assist the street program.

8. Re-establish reserves in the budget for some of the above purposes.



A. ROSS McCONNELL

Q. What do you think of Campbell's Park Program?
A. Not adequate, needs promotion.
Q. What do you think of the Corporation Yard?
Q. Under present conditions, I believe it best as handled.
Q. What do you suggest for Campbell Avenue?
A. Widen it. Two to three electric signals. Truck and through traffic routed around Campbell Avenue. Proper on north and south.
Q. What in your opinion is Campbell's future?
A. It'll grow if we let it do so.
Q. What do you think of the present administration?
A. Sluggish, no cooperation.
Q. Why do you want the job?
A. To assist, if at all possible, to keep Campbell from dying and to make it a proud community, not just a place to live.
Q. In your opinion what are Campbell's problems and how do you propose to solve them?
A. To be of one accord and try to get the land owners not to be like stubborn mules. This corrected Campbell will make its rightful recovery by itself. Honesty in all doings.



SIDNEY A. SMITH, SR.

It would be naive to assume that the voters want a councilman who practices snap judgement. At this moment I don't feel qualified to answer all of the questions proposed by the editor of the local press.

The very purpose of the councilman's job is to take a closer look (than the average citizen) at the local problems, then to inform the electorate of all available facts, so that all interested parties may be heard, before final decisions are made.

We must remind ourselves that we are just charter members of a city of 120,000 people in a few years. We must also remember that our city is surrounded by six other immediate cities, and that our planning must coincide with the best planning of theirs. Progress is inevitable.

For instance, it may be necessary to make Campbell Avenue a one way street. The cost of aquisition of private property (plus a lot of disruption) for widening the street seems prohibitive. Thus, it becomes necessary to conduct a thorough study before a decision of such magnitude can be made.

My purpose on the city council is to study the entire installation to arrive at a business-like plan and tax structure which will attract new business and professional ventures. Success in the community can be contagious. New people in a prosperous area are more willing to pay their fair share of the taxes which such farsighted planning encumbers.

A governing body has the duty to preserve human rights while at the same time shoulder the wheel of progress.

This can be accomplished by making intelligent decisions, which can only come about by finding out all the facts in a given situation.

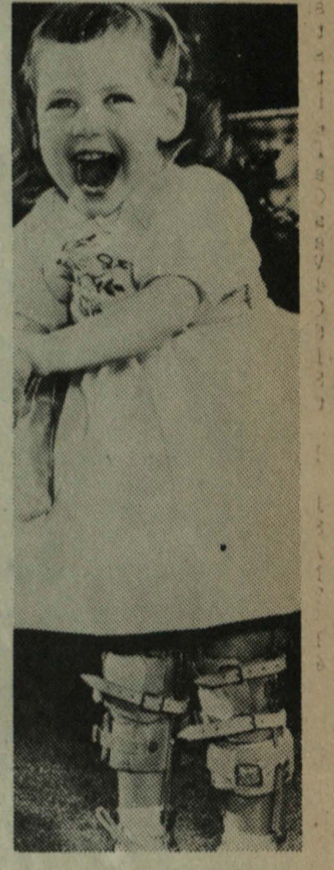
Believing in the brotherhood of man, and that there is no substitute for honesty, it naturally follows that common sense rules in all things. Knowing these tenets and the knowledge that you do your best by your neighbor, contributes to your peace of mind.

When you believe, as I do, that peace of mind is the most anyone can accomplish, whether prince or pauper, you can see why I desire to serve the neighbors in this community.

True success is not won on the battlefield, or at the ballot box, but in the hearts and minds of men.

It is in the exploration of all the facts that I dedicate myself.

SIDNEY A. SMITH, SR.



EASTER SEAL "THEME GIRL"—Helping hands of Easter Seal Society are symbolized in this prize-winning photo of 5-year old Darlene Dinger of Fontana. Darlene was named this week as "theme child" representing the 1964 California Easter Seal fund appeal starting March 1.

LEGAL NOTICE

ORDINANCE NO. 446
BEING AN ORDINANCE AMENDING THE ZONING MAP OF THE CITY OF CAMPBELL

The City Council of the City of Campbell does ordain as follows:

Moreland District seeks items from school's past

Final plans are being made for the formal dedication and open house at the Moreland District Administrative Service Center, 4710 Campbell Avenue, on Sunday, April 19. The plans call for a short dedicatory program and tours through the new facility plus displays of the historical background of the 112 year old district, the oldest rural school district in the state.

If anyone has any documents, furniture, equipment, pictures, textbooks, or anything else which might be of historical interest, they are asked to share these with the other guests at the dedication. Please call Dr. Theo J. Norby or Mrs. Von Hermann for further information.

Traffic dispute ends with man in hospital

Campbell Police are investigating the cause of a traffic dispute last Wednesday night which sent Benito E. Catello, a tile setter of 2041 Beatrice Court, San Jose, to the hospital with head injuries.

The victim told Police officers L. Kelly and Ron Eddlemon that Ned Cornelius, 59, 11801 12th Avenue, Hanford, father-in-law of James Baker, proprietor of Baker Trailer Sales and Service, 2105 South Bascom Avenue, pulled out from the Trailer Sales driveway into the path of his auto causing a near collision. Catello said he got out of his car and went over to Cornelius and said "What are you trying to do, kill us all?" At this point, according to Campbell Police, Catello said Cornelius hit him in the face, and a fight ensued. Police are continuing to investigate conflicting statements of both parties.

Mrs. Sheffer heads 1964 Easter Seal campaign here

Mrs. Dwight Sheffer will head the 1964 Easter Seal Campaign in the City of Campbell, it was announced today by county Appeal Chairman Mrs. Marie Campbell. Goal for the Campbell area is $1,600 to be raised by the traditional mailing of Easter Seals, distribution of coin containers, and a lily day.

Benefitting the Society for Crippled Children and Adults, the annual Easter Seal campaign raises the necessary money so that the Society can carry on its program of local service to the handicapped. Services include operation of the resident camp for crippled children located near Saratoga and the sheltered workshop in San Jose.

Other services include a large loan closet of sick room equipment which is loaned free of charge to those children and adults who do not meet the requirements of public assistance programs. More than 1,200 were helped by the Society during the past year.

As the Society is established to assist on the community level, most of the money from the Easter Seal campaign remains in the community.

At City College

Seven outstanding senior high school students who have completed all the mathematics courses their local high school districts offer are now enrolled at San Jose City College as special students.

They are all carrying a full high school program in addition to the special math classes at City College, for which they will receive full college credit.

These students are Laurel Beckett, John McBain and Roger Olsen from Del Mar High School; Douglas Crask from Campbell High; George deSoto from Blackford High; and Michael Greene from Leigh High School. George Lutz, a senior at Camden High School is in Donald Conway's college algebra class.

EASTER BUNNY PAYS VISIT--The Easter Bunny will be at Campbell Drugs in the Campbell Shopping Center on Saturday, March 14, between 2 and 4 o'clock to distribute goodies and visit with the youngsters.

Remedial School to be located in San Tomas area

The Santa Clara County Planning Commission has granted approval to F. W. Mitchell, 580 Chapman Drive, Campbell, for a remedial school to be located on the southerly side of Chapman between Capri Drive and Theresa Avenue.

Tentative plans are for a private remedial school for 20 youngsters of grammar school age, who would benefit from special help. Mitchell indicated he plans to activate the school in early June.

Mitchell, who is a psychiatric social worker, is a consultant for the San Jose Mental Health Service and the Family Service Organization. He has also taught school in Sierra County. Mitchell reported that Mrs. Ulleta Reynolds and Raymond Hills will be employed on the teaching staff.

Coin machines are looted

Thieves have been at work ransacking cigarette machines in the area over the week-end, according to reports from the Campbell Police Department. Bud's Sunland Station, 2120 So. Winchester Blvd, Tiny Tim's, 65 No. San Tomas Rd., and Bill's Cafe, 849 San Tomas Rd., all reported to the police that their establishments had been broken into and money taken from coin machines.

Local artist has one man showing

Watercolor paintings by Mr. Samuel G. Cook, of 449 Harrison Campbell, are on display at the "Art Gallery" of Willow Glen, located at 1114 Brace Avenue San Jose. The one-man show of paintings will be exhibited during the entire month of March.

Cook specializes in landscapes in which he uses bold dramatic strokes combined with soft wet-washes in the backgrounds. He has studied watercolor painting under George Post of the California School of Arts and Crafts. Also, he has studied under Henry Gasser, a painter and author of national reputation and fame.

Samuel Cook is a school teacher, by profession. He has taught in the Campbell Elementary District for the past thirteen years. During the last three years he has conducted an adult class of watercolor students at Blackford High School through the Campbell Adult Education system.
